

Dear Community Supporter,

Good health is the secret of a happy life. Unfortunately for many in our community, good health is out of reach due to the lack of accessible, affordable care. We hope you will consider becoming a sponsor and join us to celebrate the many hands that come together to provide care for so many in our community.

Since 2010, Volunteers in Medicine of Southern Nevada (VMSN) has worked in partnership with our community to provide hope and healing to thousands of our neighbors in need who would otherwise go without care. Our leveraged, integrated care model provides quality care in the most cost-effective manner across the care spectrum – medical, pharmaceutical, dental, social and behavioral services.

Our virtual event will be a celebration of all those who help make our mission possible while raising vital funds to care for uninsured, low-income patients during this unprecedented time. We are grateful for your sponsorship consideration and hope to see you at Hands Together – where together we work to help provide the gift of good health for our neighbors in need.

With infinite gratitude,

Dr. Florence Jameson,
Founder & Board Chair
